Availability of PERFUMES may vary according to the season

Attention: we have an obligation since January 2011 to add a tax of packaging for the juice and nectars (€0.03 25 cl bottle) and an excise duties on nectars only (€0.01 25 cl bottle)

Society Bissardon has an advance equipment to retain for a period of 2 years these juices and nectars, while preserving the flavours, the nutritional qualities and the colour of the fruit

Juices and nectars are packaged in elegant bottles 25 cl glass closed by a cap screw.

Their modern Design received the "Pentawards 2008" award, rewarding the most beautiful packagings of the world.
